About SPT

SPT is a currency based on anti-war motives, a currency that resists irony and has an economic concept in the war action led by Putin in 2022.

Blockchain is already a famous and special concept in today's era

We will upgrade and improve this concept. Our team is a very experienced team. We will have more content in the future, such as DEFI, GAMEFI, STAKE

Why SPT

Our community will grow stronger. Whether Putin is a truce or not, he is a sinner of history. Our community will always exist so that the world will not forget him. He will be engraved by us on the blockchain forever..

In this motivation, we will need everyone's support to help Ukraine and fight against Russia. Through various "MEME"s :), we will let everyone know who we are, everyone in the community, are heroes who support Ukraine.

In the future DAO, You will be our community SPT Hall of Fame role, we are waiting for you, there will be more for the role Hall of Fame.
